

Recycling. . . General Waste

It's Better **OFF**
to **Recycle**

Have you
recycled as much
as you can?

Recycling should now be a part of our daily routines and your co-operation in continuing this routine whilst in the work place is essential if we are to meet our recycling targets and reduction in carbon emissions.

Every 1824Kg we send
to landfill equates to
1 tonne of Carbon.

Find out more about recycling, email:
waste@lboro.ac.uk or go online
at www.lboro.ac.uk/sustainability/
